Dedicated professional with 15+ years of experience in retail and technical customer service. Proven track record of delivering exceptional results through clear communication, attention to detail, and reliable problem-solving. Recognized for adaptability, resourcefulness, and a strong commitment to customer satisfaction.

PROFESSIONAL EXPERIENCE

Independent Contractor (Retail Support)

Shiftsmart | Springfield, IL

September 2025 – Present

- Perform staging and bin prep to ensure next-day operational readiness.
- Manage beverage and cold food inventory levels in high-traffic retail displays.
- Complete tasks including midday sanitation and stocking via mobile app instructions.
- Document task completion and quality standards digitally to ensure brand compliance.

Tier 2 Technical Services Representative

Bunn-O-Matic Corporation | Springfield, IL

January 2025 – May 2025

- Guided field technicians and service personnel through troubleshooting and repair procedures by interpreting wiring schematics, engineering drawings, and other resources to identify root causes and provide accurate repair guidance.
- Researched service history and documented troubleshooting, interaction details, and resolutions in Salesforce CRM.
- Collaborated with engineering to resolve recurring issues and minimize customer impact.

Automotive Service Advisor

1 Stop Auto Shop, Inc. | Springfield, IL

February 2011 – August 2016; February 2024 – December 2024

- Managed full-cycle customer service, including intake, technical estimates, and final payments.
- Sourced parts from multiple suppliers to secure competitive pricing while ensuring quality and timely delivery.
- Increased revenue through upselling, focusing on safety and long-term vehicle value.
- Supervised shop operations to optimize productivity and ensure customer satisfaction.
- Built customer loyalty through transparent communication and reliable service.

POS & Specialty Printer Support Specialist

Star Micronics America, Inc. | Remote

February 2023 – December 2023

- Provided remote technical support for hardware, software, and connectivity issues across Windows and macOS systems via phone, chat, and remote access tools.
- Installed and configured receipt printers, drivers, and peripherals in POS and networked retail environments.
- Diagnosed and resolved OS-level issues, including system errors, user permissions, and performance concerns.
- Supported device connectivity, including USB, network (LAN), and Bluetooth configurations.
- Documented support cases, resolutions, and recurring issues in CRM systems to improve internal knowledge base.
- Created technical guides and documentation to reduce repeat support requests and improve user self-service.

HP Brand Ambassador & Product Demonstrator

2020 Companies | Remote

June 2022 – October 2022

- Delivered in-store HP product demonstrations at retail stores to showcase features and drive customer engagement.
- Educated customers and trained retail associates on HP desktops, laptops, printers, and accessories.
- Tracked sales trends and store traffic, reporting insights through Salesforce CRM.
- Maintained merchandising standards during promotional campaigns.
- Supported customers by answering product questions and guiding purchase decisions.

AppleCare Support Advisor

Kelly Services Global, LLC | Remote

September 2018 – December 2019

- Delivered high-volume technical support for Apple hardware, software, and account-related issues.
- Troubleshoot macOS and iOS issues, including application failures, performance concerns, and configuration problems.
- Assisted customers with software installation, updates, and system settings.
- Resolved complex issues using clear, empathetic communication tailored to varying levels of technical proficiency.
- Achieved and maintained a 95%+ CSAT rating while consistently achieving or exceeding performance goals.

AppleCare Support Advisor

Conduent Commercial Solutions, LLC | Remote

December 2017 – August 2018

- Provided phone-based technical support for Apple devices, Apple ID, iTunes billing, and subscription issues.
- Diagnosed hardware and software problems, including crashes, startup failures, and performance concerns.
- Assisted customers with password resets, data recovery, restores, and software updates.
- Coordinated repair and replacement options, including warranty verification and escalations.
- Maintained strong performance metrics while delivering consistent customer support.

Mobile Device Repair & Support Technician

Rapid Repair | Springfield, IL

June 2015 – December 2017

- Provided in-store customer service, explaining repair options, pricing, and turnaround times.
- Diagnosed and repaired iOS and Android devices while maintaining high customer satisfaction.
- Directed daily operations, including scheduling, inventory, complaint resolution, and reconciliation.
- Mentored team members on service standards, technology updates, and customer experience.

Retail Sales & Distribution Coordinator

AutoZone, Inc. | Springfield, IL

October 2007 – February 2011

- Advanced through multiple retail and warehouse roles, taking ownership of store operations as necessitated
- Coordinated all warehouse and distribution center operations including order picking, logistics, and inventory control.
- Supported retail and commercial sales departments, demonstrating flexibility and a focus on operational efficiency.
- Earned recognition for reliability and for consistently exceeding performance and quality expectations.
